IN OUR MISSION TO MAKE DISCIPLES

OUR MISSION IS CLEAR.

As believers and men of faith, we have been very clearly called to love the Lord our God with everything we have and to go out and make disciples. To equip ourselves for the battles we will face in this world, a strong brotherhood of fellow believers is necessary to fulfill on the Great Commandment and the Great Commission from Christ Jesus.

WEEKLY MEN'S MEETINGS

Over the past 7 years, we have met every Saturday in Menasha, WI to grow in God's word and support one another. While not a traditional Bible study group, our emphasis is on sharing the goodness of God that we experience in our everyday lives. We let the Spirit lead our conversations; which inevitably leads us into conversations from His Word.

We owe it to God, our families, and our community to mature in our salvation. Our meetings change the lives of men and their families forever.

MAKING DISCIPLES

2,500 meals served

30 lives for Christ

OUTREACH EVENTS

In 2025, Risen hosted five community outreach events collectively serving more than 2,500 meals across the Fox Valley. Through the love poured into the community during these events, countless seeds were planted for the Lord, and we were blessed to see 30 individuals make the decision to give their lives to Jesus.

The purpose of these outreach events is simple but deeply important: to love people well and connect them with local Spirit-led churches so they can grow in their relationship with Christ.

JOIN US IN OUR MISSION

As we look ahead, we feel called to expand this impact—both in reach and depth. Our goal for the coming year is to double the number of individuals who give their lives to Jesus through our community outreach efforts and to significantly grow our weekly men's gatherings as a foundation for long-term discipleship and strengthening of the communities we live in.

If you feel called to support our mission of making disciples for Christ, please consider making a one time or recurring donation today through our website:
